

Curriculum Vitae

 Photo	Name (First Name / Middle Name / Last Name)	Julajak Limsrivilai
	Title (Prof. Dr., etc.)	Dr.
	Affiliation	Division of Gastroenterology, Siriraj Hospital Mahidol University, Bangkok
	Country	Thailand
	E-mail	alimsrivilai@gmail.com

Educational Background

2003: Thailand Medical Licensure
2009: Thai Board of Internal Medicine
2011: Thai Board of Gastroenterology
2017: IBD Clinical Research Fellow, University of Michigan
2017: Master's degree in clinical research design and statistical analysis, University of Michigan

Professional Career

2011: Clinical Lecturer, Siriraj Hospital Mahidol University
2015: Assistant Professor, Siriraj Hospital Mahidol University
2018: Associate Professor, Siriraj Hospital Mahidol University

Research Field

Inflammatory Bowel Disease
Intestinal infections & Diarrhea
Small bowel endoscopy

Main Scientific Publications

(only 1st or corresponding author)

IBD

1. Meta-Analytic Bayesian Model for Differentiating Intestinal Tuberculosis from Crohn's Disease. **Limsrivilai J**,..., Higgins PDR. *Am J Gastroenterol*. 2017 Jan; 112: 415-27.
2. Validation of models using basic parameters to differentiate intestinal tuberculosis from Crohn's disease: A multicenter study from Asia. **Limsrivilai J**, Lee CK,..., Ng SC. *PLoS One*. 2020 Nov 30;15(11):e0242879.
3. Factors That Predict High Health Care Utilization and Costs for Patients with Inflammatory Bowel Diseases. **Limsrivilai J**, ..., Higgins PD. *Clin Gastroenterol Hepatol*. 2017;15(3):385-392.e2.
4. Temporal trend of disease recognition, treatment paradigm, and clinical outcomes of Crohn disease in Thailand from 2000 through 2017: Is early use of thiopurines beneficial? **Limsrivilai J** et al. *Medicine (Baltimore)*. 2020 Sep;99(38):e22216.
5. Poor sleep quality is common and independently associated with disease activity and poor quality of life in inflammatory bowel disease: a long-term follow-up study. Thanaboon Chaemsupaphan,..., **Julajak Limsrivilai**. *Therap Adv Gastroenterol*. 2025 Jan 3;18:1756284824131142.
6. Role of 5-aminosalicylic acid in ulcerative colitis management in 8 Asian territories: a physician survey. **Julajak Limsrivilai**, ..., Wai Keung Leung. *Intest Res*. 2025 Jan 6. doi: 10.5217/ir.2024.00085
7. Prevalence and Effect of Intestinal Infections Detected by a PCR-Based Stool Test in Patients with Inflammatory Bowel Disease. **Limsrivilai J**,..., Higgins PDR. *Dig Dis Sci*. 2020 Jan;65(11):3287-3296.

Intestinal infections & other diseases

1. Patient characteristics, clinical manifestations, prognosis, and factors associated with gastrointestinal cytomegalovirus infection in immunocompetent patients. Chaemsupaphan T,..., **Limsrivilai J**. *BMC Gastroenterol*. 2020 Jan;20(1):22.
2. Performance of cytomegalovirus real-time polymerase chain reaction assays of fecal and plasma specimens for diagnosing cytomegalovirus colitis. Onuma Sattayalertyanyong,..., **Julajak Limsrivilai**, *Clin Transl Gastroenterol*. 2023 Mar 1.
3. Diagnostic performance of noninvasive tests for cytomegalovirus ileocolitis: a systematic review and meta-analysis. Thanaboon Chaemsupaphan, Onuma Sattayalertyanyong, **Julajak Limsrivilai**. *Intest Res*. 2025 Jan 14. doi: 10.5217/ir.2024.00136
4. Intestinal capillariasis in the 21st century: clinical presentations and role of endoscopy and imaging. **Limsrivilai J** et al. *BMC Gastroenterol*. 2014;14(1);207.
5. Clinical characteristics and diagnosis of intestinal tuberculosis in clinical practice at Thailand's largest national tertiary referral center: An 11-year retrospective review. Asawin Sudcharoen,..., **Julajak Limsrivilai***. *PLoS One*. 2023 Apr 13;18(4):e0282392.
6. Evaluating the Efficacy of Fecal Immunochemical Test, Fecal Calprotectin, and Serum C-Reactive Protein in Diagnosing Patients With Chronic Lower Gastrointestinal Symptoms. **Limsrivilai J** et al., *Clin Transl Gastroenterol*. 2024 Aug 1;15(8):e00747

Small bowel bleeding and endoscopy

1. A Prospective Blinded Comparison of Video Capsule Endoscopy Versus Computed Tomography Enterography in Potential Small Bowel Bleeding: Clinical Utility of Computed Tomography Enterography. **Limsrivilai J**,..., Pongprasobchai S, *J Clin Gastroenterol*. 2017 Aug;51(7):611-618.
2. Negative video capsule endoscopy had a high negative predictive value for small bowel lesions, but diagnostic capability may be lower in young patients with overt bleeding. Khamplod S,..., **Limsrivilai J**, *Can. J. Gastroenterol. Hepatol*. 2021 May 8;1-8.
